

# Windu Villas

## MENU

We are pleased to present the Windu Villas in-house menu with an extensive offering of local, western and international dishes; featuring our "Shared Dining Menus", ideal for groups of eight or more Guests.

Breakfast choices from the menu are provided on a complimentary basis each day for all registered Guests; additional diners are welcome at the charge per person specified.

Please keep in mind that the Villa is your home away from home and, as such is not equipped with a full commercial kitchen. Your food is freshly prepared to order and only the freshest ingredients are used, so please allow sufficient time when ordering for our Chef to purchase those ingredients and prepare the meals of your choice. Where practical please place your lunch and dinner orders immediately following breakfast each morning.

Whenever possible, on each meal occasion a single or not more than two different main courses should be selected for all Guests within the group. The "Shared Dining Menus" have been created by our chefs to give guests the opportunity to share several courses and flavours together; they are priced very attractively and recommended for larger groups.

The Villa Chef and Butlers are always available to discuss special preferences and can assist in planning and selecting menu items.

Windu Villas provides a limited wine selection due to high taxes placed on imported wines. Our selection of locally bottled wines provides options for choice of reasonable quality products for your enjoyment. However if you wish to purchase any other imported wine please discuss your preferences with the Villa Manager.

Selamat Makan!
